VPAG Newsletter - October 2026. .

🎪Thanks to all those who helped out and came along to our Summer festival. Despite the rain, we had a good turnout**.** VPAG are now getting ready for our next event…

🔥**The VPAG Bonfire**. This will take place on Thursday 5th November at the corner of Nutgrove Ave/Hill Ave. The fire will be lit between 6.15 and 6.30. We rely on volunteers to ensure this event can take place safely. We specifically need the help with the following tasks:

- Donations of wood between 3 and 4.30 (No MDF, treated/painted wood or laminate, thank you)
- Help with building the bonfire from 3.00
- Stewards from 5.00 for 5.30

If you would like to help, please email us at hello@vpag.org.uk. We would be happy to see you!

Council regulations mean that fireworks are not permitted in the park. You are welcome to bring sparklers. Running such events incurs costs for VPAG, so we welcome donations. Online contributions can be made here. Thank you!

🐝**Wildlife News** - VPAG will be continuing to plant further wildflower beds near the desire path close to the existing beds. Look out for details of Saturday sessions coming soon to help with this and other projects. For more details, you can join the Wildlife Volunteer WhatsApp group here.
